PROFESSIONAL ETHICS FOR EVERYONE DESCRIPTION

Professional ethics serve as guiding principles for individuals and organizations, and outline expected behavior and moral standards. This course addresses important issues in professional ethics, such as the essential traits of ethical leadership, the interrelationship between professional and personal ethics, and application of the ethics model. Examine contemporary issues in professional ethics, such as: whistleblowing, artificial intelligence, and social media.

GET STARTED.

1. VIDEO LEARNING. TWO WAYS.

- Directly in browser. Launch: <https://cl.gy/ZohIR>
- or
- Scan the QR code on the left. Select 'open browser'. Answer the exam questions (starts on the next page) as you view the video.

2. SUBMIT YOUR ANSWERS FOR INSTANT GRADING. TWO WAYS.

- Directly in browser. Launch: <https://cl.gy/tfjGH>
- or
- Scan QR code on the left. Select 'open browser'.
 - With either method, enter your email address (where your exam results and statement of completion will be delivered).
 - Create a password that allows you to save and resume your exam and locate your exam results and statement of completion.

3. GET YOUR STATEMENT OF COMPLETION.

A minimum score of 70% is required. If you do not earn the 70% minimum score, return to the exam submission URL/QR code, and submit your revised exam answers for grading. Unlimited and complimentary retakes.
